

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 4915

IN THE MATTER OF:

Served August 26, 1996

Application of VICAR LIMOUSINE)	Case No. AP-96-34
SERVICE, INC., for a Certificate)	
of Authority -- Irregular Route)	
Operations)	

By application filed June 6, 1996, Vicar Limousine Service, Inc., a Virginia corporation, seeks a certificate of authority to transport passengers, together with mail, express and baggage in the same vehicles as passengers, in irregular route operations between points in the Metropolitan District.

Notice of this application was served on June 14, 1996, in Order No. 4871, and applicant was directed to publish further notice in a newspaper and file an affidavit of publication and a cash flow statement. Applicant complied. The application is unopposed.

SUMMARY OF EVIDENCE

The application includes information regarding, among other things, applicant's corporate status, facilities, proposed tariff, finances, and regulatory compliance record.

Applicant proposes commencing operations with two minibuses. Applicant's proposed tariff contains hourly group charter rates and airport transfer rates.

Applicant filed a balance sheet as of December 31, 1995, showing assets of \$31,577; liabilities of \$40,155; and negative equity of \$8,578. Applicant's projected operating statement for the first twelve months of WMATC operations shows revenue of \$240,650; expenses of \$219,237; and net income of \$21,413.

Applicant certifies it has access to, is familiar with, and will comply with the Compact, the Commission's rules and regulations, and United States Department of Transportation regulations relating to transportation of passengers for hire. Applicant further certifies that neither applicant nor any person controlling, controlled by, or under common control with applicant has any control relationship with a carrier other than applicant.

DISCUSSION AND CONCLUSION

This case is governed by the Compact, Title II, Article XI, Section 7(a), which provides in relevant part that:

. . . the Commission shall issue a certificate to any qualified applicant . . . if it finds that --

(i) the applicant is fit, willing, and able to perform [the] transportation properly, conform to the provisions of this Act, and conform to the rules, regulations, and requirements of the Commission; and
(ii) that the transportation is consistent with the public interest.

Applicant must show the present ability to sustain operations during the first year under WMATC authority.¹ Applicant's liabilities exceed its assets, but applicant is projecting net income and sufficient cash flow for the first twelve months under WMATC authority. Further, applicant is an established carrier with Virginia operating authority. We have found other applicants financially fit under similar circumstances.²

Based on the evidence in this record, the Commission finds applicant to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements. The Commission further finds that the proposed transportation is consistent with the public interest.

THEREFORE, IT IS ORDERED:

1. That Vicar Limousine Service, Inc., 5815 Little Falls Road, Arlington, VA 22207, is hereby conditionally granted, contingent upon timely compliance with the requirements of this order, authority to transport passengers, together with mail, express and baggage in the same vehicles as passengers, in irregular route operations between points in the Metropolitan District.
